Mission Statement

Parent and Family Engagement Mission Statement

Response: Recognizing that a child's education is a shared responsibility between the school and the family, Freeport Elementary School (FES) will develop a collaborative relationship among the staff, administrators, parents, and students. To accomplish this mission and maximize the potential of every child, FES will work diligently to create an environment where parents are welcome and their input is valued. FES's vision is to create a safe and nurturing environment that reflects enthusiasm for teaching and academic excellence. This supports the District mission to make Walton County the best in Florida by making all decisions in the best interest of children.

Involvement of Parents

Describe how the school will involve parents in an organized, ongoing, and timely manner, in the planning, review, and improvement of Title I programs including involvement in the decisions regarding how funds for parental involvement will be used [Sections 1118(c)(3), 1114(b)(2), and 1118(a)(2)(B)].

Response: Freeport Elementary School will include parents in all aspects of the Title I program, following all requirements of the Title I regulations. The responsibility and accountability for developing, implementing, and evaluating the various school level plans, including the School Improvement Plan (SIP) and Parent and Family Engagement Plan (PFEP) will be shared between Freeport Elementary School, the District, parents, and the community. All parents are given surveys throughout the school year to seek their input on activities, training, and materials needed to help their children. Results of parent surveys are reviewed by the FES School Advisory Council (SAC) to determine if changes are needed. The School Improvement Team (SIT) shall meet monthly, to plan, review, and improve the school level plan through specific goals. Parent members will be encouraged to share their thoughts and ideas on how to improve parental support and involvement thus supporting student learning. The SIT and SAC will consist of school personnel, the Title 1 Contact, community members, and parents representing the various student demographics. The parents who serve are selected from those who indicate an interest, along with staff and administrative input. A minimum of two meetings will be held, one in the fall and spring (with more as needed) at the school level, and parents will be notified by email and reminder notices of the meetings. Every attempt will be made to select times that will work for the majority of the council members. During the SAC meetings, a translator will be present if necessary. During the fall meeting, the PAC contact will distribute copies of the current year's PI plan and compact for review, share budget information with parents, and review Title 1 survey results from the previous year. During the spring, a meeting(s) will be held and review of the current Parent and Family Engagement Plan will be discussed in order to obtain parent input on any changes or modifications for the new plan. The Parent-School compact will also be reviewed and updated with any suggested changes. The current year Title 1 parent survey results will be also analyzed to determine areas of need for the upcoming year. The Title 1 contact, or other school personnel, will take notes of parent remarks and suggestions. These suggestions will be considered and implemented when possible during the writing of any parent involvement documents or planning of

school activities. A discussion will be held at both SAC meetings with parents on how parental involvement funds could be used, and their suggestions reviewed by school staff. Minutes, sign in sheets, and agendas from the SIT and SAC meetings will be taken by school personnel and filed by the Title 1 contact.
