

# KINDERGARTEN

## Week of April 13th-17th

First of all, we want to say thank you to everyone for all their hard work and effort over the last three weeks. We know this has not been easy and we are so proud of students and parents for going above and beyond to make sure your child is doing the best they can during this time of transition. We are all in this together and learning as we go. Please reach out to let us know how things are going or if you have any questions. We are here to support you!

### Updates:

This week you will use the Kindergarten At Home Learning Calendar provided by us. It looks a little different, but still contains a week of assignments for your child. It is divided by subject area. We encourage you to complete a little from each subject area daily, but understand if something comes up and you need to double up on another day. \*If you are working in paper based packets, please keep all work as a portfolio of student work. We are working on a way for you to safely send us completed paper based documentation.

### Reminders:

	Emerald Coast Christian Center	9:40 AM
	Indian Woman Rd & E. Ams St	10:10 AM
	E. Nursery Rd & Indian Woman Rd	10:40 AM
Greene Park	11:00 AM	

On Tuesdays, parents will be provided with 10 meals per child (five breakfasts and five lunches). Our five food distribution sites will remain the same (Paxton, Mossy Head, Maude Saunders Elementary, Waiton Middle, and Freeport High School); however, transportation routes will adjust slightly due to the larger distributions (please see the attached list). Our revised plan will begin April 7th and run every Tuesday for the month of April (April 7th, 14th, 21st, and 28th). On Tuesdays, food distribution sites will stay open longer - from 9:00 a.m. to 1:00 p.m. - to accommodate the larger amounts of food being disbursed.

### @ Home Learning:

Above all, we don't want anyone to feel overwhelmed with anything that comes home. Our kindergarten team at FES has designed the lessons for this week and they are topics we would have taught in our classrooms during the 4th nine weeks. This week your student will be working on the following learning targets...

- ELA: Sequencing, Rhyming
- Phonics: Sight words: like and long vowels
- Math: Measurement
- Social Studies: Community Helpers
